

Warehouse logistics expert
Apprenticeship at your CLAAS dealer.

CLAAS

CLAAS is one of the world's leading manufacturers of agricultural machinery. "Harvesting the future" – our customers can rely on that. Therefore, they not only need premium products, but also talents from all areas of work who are able to work in direct contact with our customers. People with talents who want to start their career with an apprenticeship at a CLAAS dealer and want to move things forward. People like you.

Our dealers sell the whole programme of CLAAS harvest technology and tractors, offer a comprehensive service and guarantee a quick supply of spare parts. In your apprenticeship, you can expect a varied, personal working environment and excellent career perspectives. In short, a job with a future.

Apprenticeship Warehouse logistics expert

You always keep the overview and ensure tidiness. In your apprenticeship as a warehouse logistics expert at a CLAAS dealer, you learn how incoming and outgoing goods are delivered at the right time, at the right place and in the right quantity.

With the help of computer-controlled warehouse management systems and modern transport equipment, you guarantee an optimal material flow and short stock turnover times.

But you do not only spend your working time in front of the PC. You also get involved when it comes to picking and packing as well as sending and loading of material. After all, you know our huge warehouse very well – with all its corridors and pallet spaces.

Furthermore, you are always consciously committed to your task as an important link between material purchasing, production and sales.

Are you interested in logistical and organisational tasks? Do you have commercial and mathematical understanding and like working in a team? Then we look forward to receiving your application!

What you can expect:

- Three years of apprenticeship
- Direct contact to our customers
- A familiar working atmosphere
- A varied working environment
- Ultra-modern technology
- Agriculture as an industry of the future

What we expect from you:

- Good school leaving certificate
- Interest in logistical and organisational activities
- Commercial and mathematical understanding
- Reliability and thoroughness
- Enjoy working in a team
- Service orientation in interacting with our customers

Information about the apprenticeship:

Find further information about the apprenticeship and about a CLAAS dealer near you on partner-jobs.claas.com. Our tip: Do an internship and gather your first experience of the job and our working environment at first hand.

Apply now:

You are committed, enjoy working in a team and are looking for a job with a future? Then you have come to the right place. Send your application by e-mail or post to your CLAAS dealer. You can find all current apprenticeship places in our dealer job board.
